NOTICE OF SOLE SOURCE PROCUREMENT OF CONSTRUCTION WORK FOR BOUNDS PROJECT

The Town of Warsaw (the “Town”) has determined to enter into a sole source contract for construction services for completion of certain stormwater and related improvements to real property owned by the Town, in accordance with Virginia Code § 2.2-4303(E). The sole source determination has been made as a result of two prior attempts by the Town to procure the work via competitive sealed bidding with no responses. Subsequently, the Town has obtained a sole-source offer in the amount of \$61,080.00 from Casone Enterprises, LLC for completion of the work. In accordance with Virginia Code § 2.2-4303(E), notice is hereby given that the Town has found there is only one source practicably available for the provision of the construction work and intends to award or has awarded a contract for such services to Casone Enterprises, LLC as the sole supplier of the services on the 9th day of May, 2024.
